Volunteers Needed

If you have a heart for families then this is the ministry for you. We currently need volunteers to work on Tuesdays, Wednesdays and Thursdays. Please call 706-745-7518 for more information.

The Woman's Enrichment Center greatly appreciates all donations we receive. However we have recently had to redefine our policies and would like to share those changes with you.

Clothing, Bedding and Blankets: must be washed and completely dried. This means no stains; even if the item is technically clean but has a stain we cannot accept it.

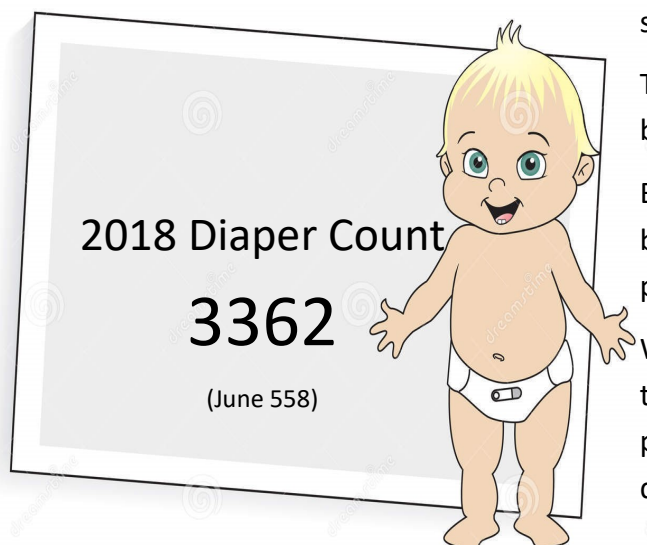

Furniture: Must be clean. We cannot accept cribs with drop-sides. The slats must be no more than 2 3/4 inches apart. Nor can they have cracked or peeling paint. All parts as provided by the manufacture must be present. And the item must not be on a recall list.

Car Seats: We can only accept donations of new car seats. They must be in the original box or packing.

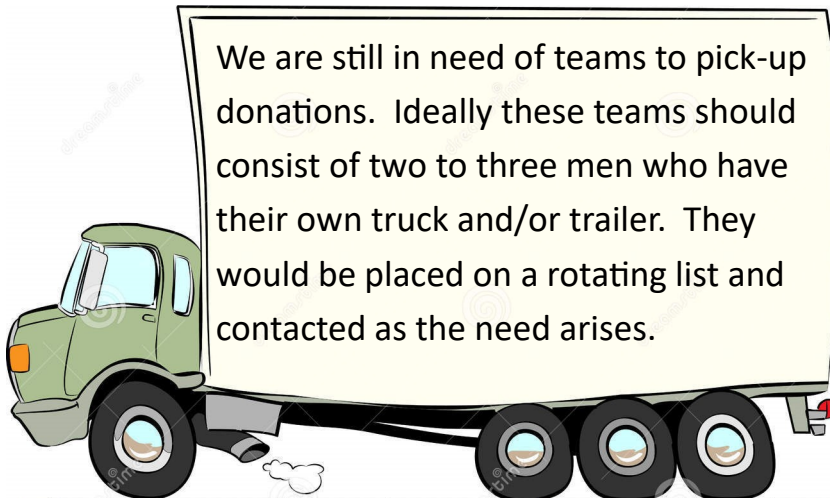

Toys: Must be clean and in good working order. No broken parts.

Breast Pumps: We can only accept donations of new breast pumps. They must be in the original box or packing.

We strive to provide our clients with items that are in the best possible condition. Therefore, we have to place limits on the condition of the items we accept as donations.
